

Part-time Organist

First Congregational Church, Moline, Illinois, seeks a part time organist to accompany our choirs and enhance our worship experience. We offer three worship services from September through May and two services during the summer months. We value our music program and our wonderful pipe organ. Organist's hours will average 16 to 20 per week; salary will be based on education and experience.

For an application, please visit the church website, fccmoline.org/jobs, or contact:
